

STATEMENT OF WARRANTY

Worldwide Refrigeration Industries, Inc. warrants to the original purchaser-user that the prefabricated panels, doors and any other products manufactured by the company are free from defects in material or workmanship under the conditions of normal use and service for a period of ten years from the date of shipment provided that it remains in the location where originally installed. The company's obligation under this warranty is expressly limited to repair or replacement at our option, F.O.B. factory, of the part covered hereunder and proved to be defective. All materials replaced under this warranty become the property of the warrantor.

This warranty does not apply to product which has been subject to any accident, negligence, alteration, damage by third parties, improper installation, abnormal or misuse, damage during transit or any other event beyond our control. Neither does this warranty cover normal wear, discoloration, condensation or other minor cosmetic defects that do not affect the performance of the product. This warranty does not cover labor for removal of defective parts or for installation of replacement parts or freight costs to or from the factory. This warranty does not apply to any equipment sold or supplied by Worldwide Refrigeration Industries, Inc., but manufactured by others and covered by their separate warranties. Worldwide Refrigeration Industries, Inc. extends the same warranty as received by the manufacturer thereof.

This warranty is provided in lieu of any other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose and of all other liabilities or obligations whatsoever on the part of Worldwide Refrigeration Industries, Inc. In no event shall Worldwide Refrigeration Industries, Inc. be liable to the purchaser or any other party for any special or consequential damages.
